About Active Listening. The way to improve your listening skills is to practice "active listening." This is where you make a conscious effort to hear not only the words that another person is saying but, more importantly, the complete message being communicated.. In order to do this you must pay attention to the other person very carefully.

### **Active Listening - Communication Skills Training from ...**

Learning God's Love Language and Learning God's Love Language Workbook will bring you to the place where you can do your own Hebrew word study, mining the riches of God's Word in the original language by learning the meanings of each Hebrew letter and uncovering the built-in commentary behind each Hebrew word.
