History Buff Crosswords Plus Answer

A typical cryptic crossword grid is generally 15×15, with half-turn rotational symmetry. Unlike typical American crosswords, in which every square is almost always checked (that is, each square provides a letter for both an across and a down answer), only about half of the squares in a cryptic crossword are checked.. In most daily newspaper cryptic crosswords, grid designs are restricted to a ...

S is one of the most valuable tiles in English-language Scrabble because it can be appended to many words to pluralize them (or in the case of most verbs, convert them to the third person singular present tense, as in the word PLUMMETS); Alfred Butts included only four S tiles to avoid making the game "too easy". Q is considered the most troublesome letter, as almost all words with it also ...
