With exams on the horizon, come and explore these comprehensive, quality assured GCSE maths revision resources to help your students get prepared for those all important papers. From detailed revision lessons to exam practice, the Tes community have designed a variety of challenging tasks ...

GCSE maths revision resources | Tes

Credits: 1. Prerequisite: Middle school biology and chemistry. Recommended: 9th or 10th Test Prep: CLEP Biology This course covers the basic material for this exam, but this is considered a very hard test, and I would suspect more will need to be studied to learn everything required for this huge exam. It's worth the same as two college courses which is why it covers so much.

Amazing professor. Students complaining here probably are the students who did not do the work. She answers emails extremely quick, she is always available and is extremely professional.

Carrie Sanchez at Florida International University ...

The mathematics portion of the SAT is divided into two sections: Math Test – Calculator and Math Test – No Calculator. In total, the SAT math test is 80 minutes long and includes 58 questions: 45 multiple choice questions and 13 grid-in questions. The multiple choice questions have four possible answers; the grid-in questions are free response and require the test taker to provide an answer.

SAT - Wikipedia

If you like a professor that does NOT care about literally anything then this is the professor for you! Good luck getting replies to emails. If you miss ONE day she makes it seem like the end of the world.
