The suggested collection of mathematical folklore might be enjoyable for mathematicians and for students because every joke contains a portion of truth or lie about our profession.

Math jokes collection by Andrej and Elena Cherkaev

You are right. If the distillery is jointly possessed by the poets and painters then you only need the apostrophe after Painters. Similarly, John and Mary's house is the house owned jointly by John and Mary. If John and Mary each have their own houses, then you need apostrophes after both possessive nouns: John's and Mary's houses. Note, however, that to remove any ambiguity as to how many ...

Most states have, or are developing, tests to assess their students' proficiency in state frameworks of curriculum. Many of these states are including students with limited English proficiency in this assessment process, but a significant number of LEP students have difficulty passing these standardized tests.
