Practice Tests - Arizona Department of Transportation

Statistics on rape and other sexual assaults are commonly available in industrialized countries, and are becoming more common throughout the world. Inconsistent definitions of rape, different rates of reporting, recording, prosecution and conviction for rape create controversial statistical disparities, and lead to accusations that many rape statistics are unreliable or misleading.

Rape statistics - Wikipedia

We know that most families have a full schedule, and it can be hard to find time for that extra focus we want to have on math. With DreamBox it's easy to find ways to work a little math fun into everyday family activities and keep it from becoming a chore.

The migration of health workers affects all countries in one way or another. In some cases, health workers leave their home countries looking for better working conditions and career opportunities abroad. In others, they leave rural areas for urban ones. The result: increasingly inequitable access to health care, within and between countries.
