Tuck Everlasting Discussion Questions | Study.com

Tuck Everlasting is a classic tale about a family that does not age and is immune to injury and illness, and one girl who chooses to fiercely protect their secret. Natalie Babbitt's inspiration for writing this book came from an experience with her young daughter. During an interview with NPR ...

Tuck Everlasting Study Guide | GradeSaver

Tuck Everlasting is an American children's novel written by Natalie Babbitt and published by Farrar, Straus and Giroux in 1975. It explores the concept of immortality, which might not be as desirable as it may appear to be. It has sold over 5 million copies and has been called a classic of modern children's literature. The book is also sold with the reading connections included.

Immortality is eternal life, being exempt from death, unending existence. Some modern species may possess biological immortality.. Certain scientists, futurists, and philosophers have theorized about the immortality of the human body, with some suggesting that human immortality may be achievable in the first few decades of the 21st century. Other advocates believe that life extension is a more ...
